PROFESSIONAL SUMMARY

Driven professional with expertise in communication and software development. Skilled in collaborating across teams to deliver high-quality software solutions. Proficient in programming, system analysis, and agile methodologies. Strong communicator with experience in technical writing, stakeholder engagement, and problem-solving.

TECHNICAL SKILLS

Core: Data Structures & Algorithms, Operating Systems, Object-Oriented Programming

Languages: Python, Java, C

Frontend: HTML, CSS, JavaScript, Svelte

Database: SQL, MongoDB (basics)

PROJECTS

Food Recognition and Nutritional Measurement

- Built a system that estimates calories, proteins, fats, carbs, and vitamins based on recognized food and its portion size.

Campus Repository

- Built a Svelte 5 and SvelteKit project platform with Tailwind CSS for student showcases and admin management.
- Secured user sessions and database access using JWTs, bcryptjs, and HTTP-only cookies, and Firebase security rules.
- Integrated Firestore and Cloud Storage to handle real-time data, file uploads, and tag-based project search.

INTERNSHIP EXPERIENCE

Odugaa Tech: Intern

- Completed an intensive internship focused on Internet of Things applications using Arduino boards, including programming device functions.

EDUCATION

Master of Computer Applications (MCA): Sona College of Technology | CGPA: 7.6 | 2025 - 2027

Bachelor of Computer Applications (BCA): Sona College of Arts & Science | CGPA: 6.9 | 2022 - 2025

Higher Secondary Certificate (HSC): Sarada Balamandir Higher Secondary School | 69% | 2021 - 2022

Secondary School Leaving Certificate (SSLC): Sarada Balamandir Higher Secondary School | 52% | 2019 - 2020

CERTIFICATIONS

- Robotic Process Automation, UiPath
- Oracle Cloud Infrastructure Architecture, Oracle
- Employability Skills and Life Skills, UNNATI Foundations by Infosys
- Web Application Development Using AI, Symphozen Labs
- Programming in Java, NPTEL

KEY STRENGTHS

- Teamwork
- Adaptability
- Active Listening
- Critical Thinking

AREAS OF INTEREST

- Web Designing
- Exploring New Technologies
